January 10, 2010

Dear Business Owner:

Each year the Bridgewater United Methodist Church sends over 100 young people on weeklong service projects around the country and abroad. This year our High School and College students are going to Toronto and Washington DC to spend the week working with inner city organizations that support the homeless, people with Aids, the elderly, the disabled, and children. Our middle school youth will be working at the Children's Home in Binghamton, NY doing repairs, helping with an ice cream social fundraiser and meeting with the children.

To support these missions, we are holding our biggest fundraiser on Friday, May 7th, 2010. We are asking local businesses to make a one-time contribution of gift certificates, vouchers, services and/or merchandise that can be auctioned to raise money. The event draws 100 - 150 people from the local community. All donors will be prominently acknowledged in our event program.

Won't you please help us to send our youth out to serve the needy? Your donation is tax deductible and the tax ID # for your records is: EO-226-067-626. Items can be mailed to the church at the address on the letterhead or we would be very happy to visit you to pick it up.

Thanks you for your generosity!

Warm Regards,

Cathi Reckenbeil
